

Appendix

Consistency Matrix

The following matrix compares individual goals and policies within The Fullerton Plan to each other. The matrix is used as a tool to ensure that goals and policies within The Fullerton Plan are not unsupportive or inconsistent with each other. By ensuring internal consistency in The Fullerton Plan, the policy program set forth by the plan will be inherently sustainable. The matrix indicates whether the goals and policies are supportive/consistent with each other or neutral/not related.

Element/Goal/Policy		Goal																									
<p>KEY TO DIAGRAM</p> <p>◆ = Supportive Consistent</p> <p>□ = Neutral Not Related</p> <p>✗ = Unsupportive Inconsistent</p>		Goal 1: Resilient and vital neighborhoods and districts.	Goal 2: A positive identity and distinctive image.	Goal 3: A supply of safe housing ranging in cost and type to meet the needs of all segments of the community.	Goal 4: Valued and preserved historic resources.	Goal 5: A balanced system promoting transportation alternatives that enable mobility and an enhanced quality of life.	Goal 6: A bicycle-friendly city where bicycling is a safe and convenient alternative to motorized transportation and a recreational opportunity for people of all ages and abilities.	Goal 7: Growth and development aligned with infrastructure capabilities.	Goal 8: Protection from the adverse effects of noise.	Goal 9: Long-term fiscal strength and stability that has a foundation in local economic assets and adapts to dynamic market conditions.	Goal 10: An innovation economy built upon Fullerton's local entrepreneurial spirit and intellectual capital.	Goal 11: Revitalization activities that result in community benefits and enhance the quality of life in neighborhoods, districts, and corridors.	Goal 12: Proactively addressing public safety concerns.	Goal 13: Responsive to public safety needs.	Goal 14: An environment with opportunities for community health and wellbeing.	Goal 15: Parks, recreational facilities, trails, and programs that promote a healthy community and a desirable quality of life.	Goal 16: Broad community participation in cultural activities and visual and performing arts.	Goal 17: An exceptional variety and quality of educational opportunities that reach community members throughout their lives.	Goal 18: Broad community engagement and participation in civic activities.	Goal 19: An adequate and safe water supply.	Goal 20: A healthy watershed and clean urban runoff.	Goal 21: Protection and improvement of air quality.	Goal 22: Participation in regional efforts to address climate change and its local impacts.	Goal 23: Safe and efficient management of waste.	Goal 24: Responsible management of open spaces balanced with the healthy functioning of environmental systems.	Goal 25: Responsible management of natural resources.	Goal 26: Protection of people, natural and built environments and economy from natural hazards.

Chapter 1: Community Development and Design

Goal 10: An innovation economy built upon Fullerton's local entrepreneurial spirit and intellectual capital.	Goal 11: Revitalization activities that result in community benefits and enhance the quality of life in neighborhoods, districts, and corridors.	Goal 12: Proactively addressing public safety concerns.	Goal 13: Responsive to public safety needs.	Goal 14: An environment with opportunities for community health and wellbeing.	Goal 15: Parks, recreational facilities, trails, and programs that promote a healthy community and a desirable quality of life.	Goal 16: Broad community participation in cultural activities and visual and performing arts.	Goal 17: An exceptional variety and quality of educational opportunities that reach community members throughout their lives.	Goal 18: Broad community engagement and participation in civic activities.	Goal 19: An adequate and safe water supply.	Goal 20: A healthy watershed and clean urban runoff.	Goal 21: Protection and improvement of air quality.	Goal 22: Participation in regional efforts to address climate change and its local impacts.	Goal 23: Safe and efficient management of waste.	Goal 24: Responsible management of open spaces balanced with the healthy functioning of environmental systems.	Goal 25: Responsible management of natural resources.	Goal 26: Protection of people, natural and built environments and economy from natural hazards.

Chapter 4: Mobility

Goal 5: A balanced system promoting transportation alternatives that enable mobility and an enhanced quality of life.		◆	□	□	□	◆	◆	□	□	□	□	□	□	◆	□	□	□	□	□	□	◆	◆	□	□	◆	□	
5.1	Circulation Between Cities Support regional and subregional efforts to implement programs that coordinate the multi-modal transportation needs and requirements across jurisdictions, including but not limited to the Master Plan of Arterial Highways, the Commuter Bikeways Strategic Plan, the Signal Synchronization Master Plan, the Orange County Congestion Management Plan, and the Growth Management Plan.	□	□	□	□	◆	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	
5.2	Reduction of Single Occupant Vehicle Trips Support regional and subregional efforts to increase alternatives to and infrastructure supporting reduction of single occupant vehicle trips.	□	□	□	□	◆	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	◆	◆	□	□	□	□
5.3	Mobility Information Infrastructure Support projects, programs, policies and regulations to utilize signage and technology to provide real-time information to users of the multi-modal transportation network.	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	◆	◆	□	□	□	□

		Goal																									
Element/Goal/Policy KEY TO DIAGRAM ◆ = Supportive Consistent □ = Neutral Not Related ✕ = Unsupportive Inconsistent		Goal 1: Resilient and vital neighborhoods and districts.	Goal 2: A positive identity and distinctive image.	Goal 3: A supply of safe housing ranging in cost and type to meet the needs of all segments of the community.	Goal 4: Valued and preserved historic resources.	Goal 5: A balanced system promoting transportation alternatives that enable mobility and an enhanced quality of life.	Goal 6: A bicycle-friendly city where bicycling is a safe and convenient alternative to motorized transportation and a recreational opportunity for people of all ages and abilities.	Goal 7: Growth and development aligned with infrastructure capabilities.	Goal 8: Protection from the adverse effects of noise.	Goal 9: Long-term fiscal strength and stability that has a foundation in local economic assets and adapts to dynamic market conditions.	Goal 10: An innovation economy built upon Fullerton's local entrepreneurial spirit and intellectual capital.	Goal 11: Revitalization activities that result in community benefits and enhance the quality of life in neighborhoods, districts, and corridors.	Goal 12: Proactively addressing public safety concerns.	Goal 13: Responsive to public safety needs.	Goal 14: An environment with opportunities for community health and wellbeing.	Goal 15: Parks, recreational facilities, trails, and programs that promote a healthy community and a desirable quality of life.	Goal 16: Broad community participation in cultural activities and visual and performing arts.	Goal 17: An exceptional variety and quality of educational opportunities that reach community members throughout their lives.	Goal 18: Broad community engagement and participation in civic activities.	Goal 19: An adequate and safe water supply.	Goal 20: A healthy watershed and clean urban runoff.	Goal 21: Protection and improvement of air quality.	Goal 22: Participation in regional efforts to address climate change and its local impacts.	Goal 23: Safe and efficient management of waste.	Goal 24: Responsible management of open spaces balanced with the healthy functioning of environmental systems.	Goal 25: Responsible management of natural resources.	Goal 26: Protection of people, natural and built environments and economy from natural hazards.
5.4	Fullerton Municipal Airport Support projects, programs, policies and regulations to advance the Fullerton Municipal Airport as an important economic asset that provides efficient regional travel for business, commerce and the general public, as well as a base of operations for public safety aviation operations.	□	◆	□	□	□	□	□	◆	◆	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□
5.5	Fullerton Transportation Center Support projects, programs, policies and regulations to advance the Fullerton Transportation Center as an important economic asset that provides efficient regional travel and mode choice options for business, commerce and the general public.	□	◆	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	◆	◆	□	□	□	□	□
5.6	Quality Highways and Roads Support projects, programs, policies and regulations to operate and maintain a comprehensive network of arterial highways and local roads supporting safe and efficient movement of people, goods and services to, through and within the City.	□	□	□	□	□	□	□	◆	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□

		Goal																									
Element/Goal/Policy KEY TO DIAGRAM ◆ = Supportive Consistent □ = Neutral Not Related ✕ = Unsupportive Inconsistent		Goal 1: Resilient and vital neighborhoods and districts.	Goal 2: A positive identity and distinctive image.	Goal 3: A supply of safe housing ranging in cost and type to meet the needs of all segments of the community.	Goal 4: Valued and preserved historic resources.	Goal 5: A balanced system promoting transportation alternatives that enable mobility and an enhanced quality of life.	Goal 6: A bicycle-friendly city where bicycling is a safe and convenient alternative to motorized transportation and a recreational opportunity for people of all ages and abilities.	Goal 7: Growth and development aligned with infrastructure capabilities.	Goal 8: Protection from the adverse effects of noise.	Goal 9: Long-term fiscal strength and stability that has a foundation in local economic assets and adapts to dynamic market conditions.	Goal 10: An innovation economy built upon Fullerton's local entrepreneurial spirit and intellectual capital.	Goal 11: Revitalization activities that result in community benefits and enhance the quality of life in neighborhoods, districts, and corridors.	Goal 12: Proactively addressing public safety concerns.	Goal 13: Responsive to public safety needs.	Goal 14: An environment with opportunities for community health and wellbeing.	Goal 15: Parks, recreational facilities, trails, and programs that promote a healthy community and a desirable quality of life.	Goal 16: Broad community participation in cultural activities and visual and performing arts.	Goal 17: An exceptional variety and quality of educational opportunities that reach community members throughout their lives.	Goal 18: Broad community engagement and participation in civic activities.	Goal 19: An adequate and safe water supply.	Goal 20: A healthy watershed and clean urban runoff.	Goal 21: Protection and improvement of air quality.	Goal 22: Participation in regional efforts to address climate change and its local impacts.	Goal 23: Safe and efficient management of waste.	Goal 24: Responsible management of open spaces balanced with the healthy functioning of environmental systems.	Goal 25: Responsible management of natural resources.	Goal 26: Protection of people, natural and built environments and economy from natural hazards.
5.10	Easements and Rights-Of-Way Support projects, programs, policies and regulations to use public easements and rights-of-way along flood control channels and/or inactive railroads as part of the multi-modal network.	□	□	□	□	◆	□	□	□	□	◆	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	
5.11	Integrated Land Use and Transportation Support projects, programs, policies and regulations to integrate land use and transportation planning and implementation.	◆	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	◆	◆	□	□	□	□	
5.12	Multi-Modal Traffic Analysis Support programs, policies and regulations to analyze and evaluate urban streets using an integrated approach from the points of view of automobile drivers, transit passengers, bicyclists and pedestrians rather than auto-centric thresholds which conflict with other policies of The Fullerton Plan – including better environments for walking and bicycling, safer streets, increased transit use, cost-effective infrastructure investments, reduced greenhouse gas emissions, and the preservation of open space.	□	□	□	□	◆	□	□	□	□	□	□	□	□	□	□	□	□	□	□	◆	◆	□	□	□	□	

		Goal

Goal 6: A bicycle-friendly city where bicycling is a safe and convenient alternative to motorized transportation and a recreational opportunity for people of all ages and abilities.	Goal 7: Growth and development aligned with infrastructure capabilities.	Goal 8: Protection from the adverse effects of noise.	Goal 9: Long-term fiscal strength and stability that has a foundation in local economic assets and adapts to dynamic market conditions.	Goal 10: An innovation economy built upon Fullerton's local entrepreneurial spirit and intellectual capital.	Goal 11: Revitalization activities that result in community benefits and enhance the quality of life in neighborhoods, districts, and corridors.	Goal 12: Proactively addressing public safety concerns.	Goal 13: Responsive to public safety needs.	Goal 14: An environment with opportunities for community health and wellbeing.	Goal 15: Parks, recreational facilities, trails, and programs that promote a healthy community and a desirable quality of life.	Goal 16: Broad community participation in cultural activities and visual and performing arts.	Goal 17: An exceptional variety and quality of educational opportunities that reach community members throughout their lives.	Goal 18: Broad community engagement and participation in civic activities.	Goal 19: An adequate and safe water supply.	Goal 20: A healthy watershed and clean urban runoff.	Goal 21: Protection and improvement of air quality.	Goal 22: Participation in regional efforts to address climate change and its local impacts.	Goal 23: Safe and efficient management of waste.	Goal 24: Responsible management of open spaces balanced with the healthy functioning of environmental systems.	Goal 25: Responsible management of natural resources.	Goal 26: Protection of people, natural and built environments and economy from natural hazards.
18.14	Convenient Meetings Support policies, projects, programs, and regulations that uphold the scheduling of community meetings at locations and times convenient for community members desiring to provide input.	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	
18.15	Early Notification Opportunities Support policies, programs and regulations that maximize opportunities for early notification of proposed projects, or projects/issues under consideration, using the most current technologies as they become available.	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	
Chapter 16: Water																											
Goal 19: An adequate and safe water supply.		◆	□	□	□	□	□	◆	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	◆	◆
19.1	Agency Coordination for Water Supplies Support regional and subregional efforts to ensure that an adequate water supply, including groundwater, remains available.	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	◆	□	□	□	□	□	◆	□
19.2	Conservation Efforts Support regional and subregional efforts to promote water efficiency and conservation.	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	□	◆	□	□	□	□	□	◆	□

		Goal																									
Element/Goal/Policy KEY TO DIAGRAM ◆ = Supportive Consistent □ = Neutral Not Related ✕ = Unsupportive Inconsistent		Goal 1: Resilient and vital neighborhoods and districts.	Goal 2: A positive identity and distinctive image.	Goal 3: A supply of safe housing ranging in cost and type to meet the needs of all segments of the community.	Goal 4: Valued and preserved historic resources.	Goal 5: A balanced system promoting transportation alternatives that enable mobility and an enhanced quality of life.	Goal 6: A bicycle-friendly city where bicycling is a safe and convenient alternative to motorized transportation and a recreational opportunity for people of all ages and abilities.	Goal 7: Growth and development aligned with infrastructure capabilities.	Goal 8: Protection from the adverse effects of noise.	Goal 9: Long-term fiscal strength and stability that has a foundation in local economic assets and adapts to dynamic market conditions.
