

Fullerton Municipal Airport Hangar/Tiedown Rental Requirements

Prior to moving in, every hangar/tiedown tenant must have:

- An airworthy and flyable aircraft registered in their name, business, or partnership

And must provide:

- A copy of the aircraft's Airworthiness Certificate. A copy of operating limitations is also required for experimental aircraft.
- A copy of the official FAA Registration Certificate for the aircraft. If newly purchased, the bill of sale and registration application are also required.
- Proof of current aircraft liability insurance for the airplane including the City of Fullerton as additionally insured (Airport address: 4011 W. Commonwealth Ave, Fullerton, CA 92833)
- A copy of the aircraft's current annual inspection, i.e., log book

To begin a lease, submit these items to the Airport office or through email fulairport@cityoffullerton.com. If submitting in person, please contact the Airport office to make an appointment, (714) 738-6323.

A \$100 nonrefundable administrative fee is required for all leases.

An additional \$400 security deposit is required for hangar leases.

Payment can be made only by cash or check made payable to City of Fullerton.
