

CITY MANAGER'S WEEKLY REPORT

- FULLERTON, CALIFORNIA -

City Manager's Message

August 14, 2020

Illumination Foundation Shelter Opens

The Navigation Center and Recuperative Care facility at 3535 West Commonwealth Avenue opened this week and is already serving over 50 clients in the Navigation Center and 10 in the recuperative care unit. When fully operational, the facility will provide up to 90 navigation center beds and 60 recuperative care beds. The facility will assist clients on a path to housing and other needed services. The Fullerton location is the first in the County to provide both recuperative care and navigation in the same facility and will serve as a model for future facilities. This location combined with the Placentia and Buena Park facilities will assist in placing Fullerton's most vulnerable into shelter to obtain needed services. The Illumination Foundation (IF), a non-profit organization, is the lessee and operator of the facility and the City has contributed funding for the tenant improvements as well as is acting as the Guarantor of the Lease with the private property owner. The City assisted IF to completely rehabilitate the facility in less than six months by providing enhanced plan check and inspections.

November Election Information

Do you want to know what City Council election district you live in? Or who is running and what their candidate statement says about them? Please click [here](#) for all of that information and more. The following candidates have qualified for the following City Council election districts:

District 1

Andrew Cho
Fred Jung

District 2

Mackenzie Chang Nick Dunlap
Charles Sargeant Faisal Qazi

District 4

Aaruni Thakur
Bruce Whitaker

CITY COUNCIL MEETING PREVIEW

During the COVID-19 pandemic, the City Council and all City Commissions/Committees may conduct meetings via video conferencing, per exemptions allowed under the Governor's Executive Order N-29-20. All agendas can be found online by clicking [here](#). Comments on agenda items can be e-mailed before the meeting to cityclerksoffice@cityoffullerton.com. Council meetings are also broadcast live on [Channel 3](#), Facebook Live, and streamed online.

CLOSED SESSION SCHEDULED FOR 5:00 PM

- There are two (4) **Closed Session** items scheduled:

Anticipated Litigation Item (Legal Services Agreement with OCWD regarding PFAS)

Public Employee Performance Evaluation (City Manager)

Public Employee Performance Evaluation (Police Chief)

Labor Negotiations

- There is one **Presentation** planned:

Citizens Academy Graduate Recognition

- There are no **Appointments** scheduled.

- The **Consent Calendar** includes (following page):

There are 29 items on the Consent Calendar. Wow, that's a lot! Yes, but we also did not have a first meeting in August and will not have a first meeting in September. Also, since we started our Fiscal Year on July 1, many agreements or projects are started in the beginning of the Fiscal Year so those agreements, design needs, or grant receipts are scheduled to early in the Fiscal Year to make sure we can accomplish the project over the course of the year. Items on the Consent Calendar can be commented on or even pulled for more in-depth discussion or questions. If so, they go to the end of the Regular Agenda and are handled individually.

The August 18, 2020 City Council will be held in the City Council Chambers.

Social Distancing and Face Covering requirements are in effect for members of the public. Limited public capacity is available in the Council Chambers and we will have additional overflow available. In person Public Comments are allowed but e-comments and emailed comments are highly encouraged.

CITY COUNCIL MEETING PREVIEW

(continued)

- July 21, 2020 Meeting Minutes and August 4, 2020 Closed Session Meeting Minutes
- July 2020 Check Register
- Use of Asset Seizure Funds to Equip Police Interview Room
- Fullerton Municipal Code Amendments Pertaining to Permanent Cosmetics—Second Reading of Ordinance
- Approval of One-Year After School Education and Safety Agreement (ACES) - Fullerton School District
- Safe Parking Program Extension
- Consultant Pool to Provide Professional Services for On-Call CEQA Services and Standard Professional Services Agreement
- Brea Dam Verizon Cell Tower Extension
- Curb/Gutter and Sidewalk Reconstruction Fiscal Year 2019-20
- Victoria Drive Infrastructure Improvements—Phase I
- Runway Shoulder Enhancement Project—Design Services Award
- Surplus Property Declaration for 799 Rolling Hills Drive and 1151 West Bastanchury Road (Bastanchury Tree Farm)
- Designation of Areas Eligible for Block Improvement Grant Program
- Selection of Consultant to Provide Professional Services for Development of a Housing Incentive Overlay Zone and Approval of Professional Services Agreement
- Selection of Consultant to Provide Professional Services to Update the Housing Element of the General Plan (2021-2029) and Approval of Professional Services Agreement

The regular City Council Meeting for September 1, 2020 has been cancelled by City Council Resolution.

Agenda Forecast for Tuesday, September 15, 2020 is:

(Please note that the Agenda Forecast is a best attempt to list those items that are planned to be included on a future agenda. Due to differing circumstances, items may be included on the forecast but moved to a subsequent meeting. Items may also be added at the last moment, and therefore not on the forecast. Items not listed in any form of priority or placement on agenda.)

City Council Meeting Minutes

Raymond Avenue Grade Separation Project—Supplement to NVSF Construction and Maintenance Agreement

August 2020 Check Register

Fullerton Municipal Code Amendments Pertaining to Regulation of Short-Term Rentals (continued from July 21, 2020)

Fullerton Municipal Code Amendments Pertaining to Regulation of Commercial Cannabis Activities

Review Mayor and Mayor Pro Tem Rotation Policy

Adoption of Speed Hump Policy

Fullerton Municipal Code Amendment to Chapter 8.75 Regulating Sidewalk Vendors

Ordinance Adopting a New Chapter 8.46 to the Fullerton Municipal Code Relating to the Parking, Stopping, and Standing of Recreational Vehicles

OC ANIMAL CARE CENTER SERVICES

On Saturday, August 15, OC Animal Care is hosting their monthly **Family Fur-st Drive-Thru Pet Food Pantry** from 8-10 a.m. The goal of this event is to help keep pets in their homes by supporting their families who may be suffering hardships, such as job loss, due to these challenging times. This pantry will be held on the second Saturday of every month, and **all pet owners in need of food are welcome!**

We are excited to announce that OC Animal Care is participating in **Clear the Shelters 2020 'adopt or donate'** campaign! Starting Saturday and through the entire month of August, we will be featuring adoptable pets and asking the community to support our efforts by donating.

How can you Adopt?

- OC Animal Care is currently closed to walk-in visitors. All adoptions are by appointment only.
- To adopt please call the facility at 714-935-6848 with the animal id number (ex: A1234567) of who you are interested in. Call center hours are 7 days a week from 8 a.m. to 5 p.m. excluding government holidays.

You can find a list adoptable pets on OC Animal Care's website at: <http://petadoption.ocpetinfo.com/Adopt/>

How can you Donate?

Donate to OC Animal Care's Family Fur-st Drive-Thru Pet Food Pantry and help keep families together. Donations of pet food can be made through the shelter's Amazon Wishlist at: https://www.amazon.com/hz/wishlist/ls/1RLVXG7Y9HMNV/ref=nav_wishlist_lists_1?encoding=UTF8&type=wishlist

You can also donate to OC Animal Care at ClearTheSheltersFund.org. The Great Good Foundation will be matching donations dollar to dollar during the first week of the campaign up to \$100,000 to shelters across the country.

Clear the Shelters is August 1-31st **Adopt or Donate!**

OC Animal Care is currently closed to walk-in visitors. Adoptions are by appointment only.

Please call 714-935-6848 to make an appointment. For a list of available animals, visit www.ocpetinfo.com

Donate to our Family Fur-st Pet Food Pantry to help keep families together through our Amazon Wishlist.

You can also donate to OC Animal Care at ClearTheSheltersFund.org

BELLA

Id# A1642702
 Brindle/White
 Pit Bull Mix
 Spayed Female
 9 Years Old

Bella is a sweet senior who's young at heart! She is very affectionate and playful; a home with a big yard for her to run around in would be her dream come true! Bella needs to be the only pet in the household and would benefit from going to basic obedience training. She knows how to sit for treats and after her zoomies are out of her system, she enjoys being by your side for pets. If you would like to make an appointment to adopt Bella, call OC Animal Care at 714-935-6848!

Pet of the Week!

Hot Weather Tips!

OC Animal Care *Let's Paws*

Hot Weather Pet Safety Tips

Never Leave Your Pet in the Car

Never leave your pet alone in a vehicle, even with the windows cracked; it only takes a few minutes for the temperature inside to reach 160 degrees. If you see an animal in a hot car, try to locate the owner or call 911!

Watch out for Hot Pavement

Don't leave your pet standing on the hot pavement and keep walks to a minimum. Remember, if it's too hot for bare feet, it's too hot for bare paws!

Always Provide Water & Shade

Bring your pet inside during the hot day and let them rest in a cool part of the house. Be sensitive to the needs of older, obese or short nosed dogs who are less tolerant of the heat and should be kept indoors in air-conditioning as much as possible.

Limit Exercise

Limit dog walks and exercise on hot days. Don't let playful pets overexert themselves in extremely warm weather. Exercise in the early morning and late evening to avoid the heat.

Watch for Signs of Heatstroke

Excessive panting, excessive drooling, high heart rate, discolored gums, mobility problems, high body temperature, vomiting and diarrhea. If your pet is experiencing these symptoms, contact your vet immediately!

For more pet safety tips, visit www.ocpetinfo.com

San Onofre Begins New Chapter as Fuel Transfer Operations End

ROSEMEAD, Calif., Aug. 7, 2020 — The decommissioning effort at the San Onofre nuclear plant achieved a major milestone today when the last of 73 spent nuclear fuel canisters was safely stored in the Holtec dry storage system. The fuel is now one step closer to being ready for relocation to an off-site facility when one becomes available. Currently, no such federally licensed facility exists.

Both wet storage of spent fuel in pools of water and dry storage in welded stainless-steel canisters are extremely safe. However, dry storage offers additional safety benefits: The dry storage systems at San Onofre have more than twice the seismic rating as the spent fuel pools, and dry storage requires no electricity because the fuel is convection cooled with ambient air.

"Our commitment remains ensuring spent nuclear fuel is safely stored and that it can be transported to an off-site facility in the future," said Doug Bauder, SCE vice president and chief nuclear officer. "We are developing a strategic plan to help us explore opportunities for advancing various alternatives to get the spent fuel off-site, as well as make sure that our fuel is ready for pickup when the opportunity presents itself."

SCE expects to release [the strategic plan](#) early next year. It will explore alternatives for relocating San Onofre's spent fuel to an off-site facility, either for permanent disposal or temporary storage, and identify actions that SCE can take to advance various alternatives. The plan also will include opportunities to collaborate with like-minded stakeholders and the community.

A New Chapter

With all the spent fuel — 123 canisters, including the 50 in the TN-NUHOMS system — in dry storage, most of the plant now becomes a deconstruction site. SCE issued a [Notice of Deconstruction](#) in January, and work to dismantle San Onofre began the following month. Initial projects included asbestos removal from inside the containment domes and shipping the Unit 1 [reactor pressure vessel](#) to a disposal facility in Clive, Utah. Both have been completed successfully. In the next couple of months, offices will be relocated to new trailers in a parking lot on the north side of the site. That will clear the way for building demolition to begin early next year. Employees who can continue to telework due to COVID-19 guidelines are doing so.

"For the next stages at San Onofre, we've developed a streamlined organization that is focused on providing oversight of our decommissioning contractor and safely managing the spent fuel," Bauder said. "Much of the work coming up will be inside the containment domes and preparing for the removal of lots of steel and concrete."

That material will be mostly transported via railcar to disposal sites in Utah, Arizona and Texas. For the duration of the project, SCE will continue to issue quarterly updates to surrounding residents on activity at San Onofre. These are also available on the [SONGCommunity](#) website.

For more information about San Onofre, visit [songscommunity.com](#) and follow us on Twitter ([@SCE_SONGS](#)) and Facebook ([@SONGCommunitypage](#)).

About Southern California Edison

An Edison International (NYSE: EIX) company, Southern California Edison is one of the nation's largest electric utilities, serving a population of approximately 15 million via 5 million customer accounts in a 50,000-square-mile service area within Central, Coastal and Southern California.

###

ENERGY EFFICIENCY

We know that the ongoing COVID-19 pandemic is having a significant impact on your community. That's why the Westside and NOCC Energy Partnerships are hosting a training series that streamlines the latest information from SoCalGas and Southern California Edison programs that can help your business community save money and energy. We know many folks have limited capacity, so we're bringing the experts to you!

During part one of our two-part series, you will learn about the following resources available to **small business, food service, and hospitality customers** so you can easily promote these programs and services directly to those that can benefit:

Commercial Sector Resources Tuesday, August 25th at 11 AM

- Commercial Direct Install
- Demo Kitchen
- Bill Assistance
- Rebates & Incentives
- COVID-19 Response Updates

[Register Here](#)

Stay tuned for details about part two of the series, focused on residential sector energy resources.

**TUESDAY
AUGUST 25, 2020
11:00 AM**

**ENERGY EFFICIENCY
RESOURCES DURING
COVID-19**

Learn how you can spread the word in your community to reduce energy usage and costs during this time. Join SoCalGas and Southern California Edison in an educational webinar to gain knowledge on energy efficiency resources available to business owners and foodservice professionals.

Community & Economic Development

Business Assistance Team and Dining & Retail Program

Business Assistance Team

The goal of the Business Assistance Team (BAT) is to provide education and outreach to all businesses regarding on how to re-open safely and meet the Governor's requirements. The BAT is a three-person team of part-time Parks and Recreation employees who were selected for their excellent communication and outreach abilities.

The team approaches all businesses to discuss the required signage (industry specific checklist and attestation) and discuss and encourage mandatory face coverings/mask and social distancing. In addition, they provide information on business grants/loans, outdoor dining/retail use and other helpful information. In addition, they have developed multiple handouts such as COVID-19 testing sites and childcare options.

The team in week two has had excellent success rates and all businesses have been pleasant and has thanked the team for the visit. Our BAT team has personally delivered checklists, masks and attestation for the businesses. All our handouts are in English, Spanish and Korean.

Outdoor Dining and Retail Program

Are you a restaurant or retail/service business that would like to use some space outside of your business for outdoor dining or outdoor retail? Great news! The City has developed a simple, streamlined application process to allow business owners to use either public spaces (sidewalks, public parking lots, alleyways) or private property for limited outdoor dining or retail. For more information on the program, please click [here](#).

The hours of the program have recently been expanded due to the State not easing up on prohibition of indoor dining options. The outdoor dining program is until 11pm on Monday, Tuesdays, and Wednesdays. The hours Thursday through Sunday are to 12 midnight. Food must be served and all other social distancing requirements must be met.

For more information on Fullerton dining options, please visit www.DineFullerton.com.

Public Works

Water Division Updates

Meter Shop

Meter Shop staff perform meter reading duties and respond to service calls during normal hours of operation and callouts after hours. In addition, they also turn water services on or off based on residents' needs, post water service accounts, replace water meters, water meter boxes/lids and perform repairs/tests on water meters.

Meter Shop Summary (8/1 – 8/7/2020)

Callouts	2
Service Calls	26
Meter Reads	5,119
On/Off	73
Postings	0
Lid/Box Replacements	9
Meter Repairs/Tests	13
Meter Replacements	37

Water Production

Staff perform a variety of field lab sampling as required by the state of California. This includes water samples from our wells, reservoirs and water distribution system. Control valves and plug valves regulate water between different pressure zones or elevations within the water system and require preventative maintenance (PM). Well production is a total of gallons produced from City water wells, and MWD production gallons reflect water purchased from Metropolitan Water District.

Water Production Summary (8/1 – 8/7/2020)

Volatile Organic Compounds/	138
General Physical Samples	
Bacteriological Samples	30
Control Valve PM	1
Plug Valve PM	6
Well Production Gallons	148,393,000
MWD Production Gallons	39,913,280

Water Distribution

This Division is responsible for the maintenance of the water transmission and distribution system that delivers water to City residents, businesses, and industries. The water transmission and distribution system consists of 430 miles of water pipeline, more than 31,500 metered services, 4,000 fire hydrants, and 12,000 valves. On an annual average, we respond to 4,600 underground service alert tickets.

Water Distribution Summary (8/1 – 8/7/2020)

Water Main Breaks	3
Valve Replacements	0
Water Service Replacements	1
Water Service Repairs	0
Angle Stop Replacements	1
Meter Replacements	1
Fire Hydrant Replacements	2
Fire Hydrant Repairs	1
Fire Hydrant PM's	59
Fire Hydrant Flushing	77
Mainline Valve PM's	83
Respond to U.S.A. Requests	159
Water Dig Outs	2
Shutdowns/Reopens	5

Public Works

Water Repair & Water Quality

On August 4, a crew from the Water Construction section responded to 1420 Miramar Drive to repair a water main break. The repair crew installed 5.5 feet of 8-inch-diameter ductile iron pipe. Water Construction crew members working in conjunction with our Street Division will repair and replace sections of the damaged street.

Water Quality Specialist

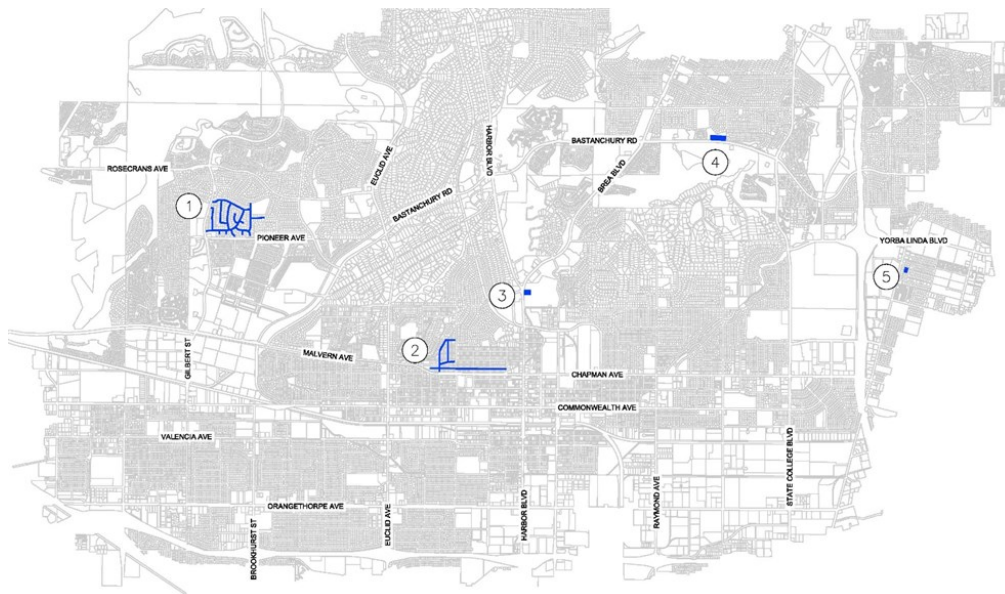

The Water Quality Specialist monitors routine and main break bacteriological results and takes action if a positive sample is detected. Per California regulation, water services that present a hazard to the water supply are required to have a backflow prevention device to prevent polluted or contaminated water from entering the potable water system. These devices must be tested yearly to ensure they are in working order. The Water Quality Specialist is also responsible for water conservation complaints and assists in responding to billing disputes.

Water Quality Specialist Summary (8/1 – 8/7/2020)	
Total Bacteriological Samples sent for testing	33
Positive Bacteriological Samples	0
Backflow testing results processed	118
Follow up water conservation contacts	4
Water bill disputes	0

Parks & Recreation

Senior Services

Senior Services

The Parks and Recreation Department is **STILL CONNECTING & SERVING** our senior community.

Senior services during COVID-19 include: Meals on Wheels OC food distribution and home delivery, grocery box distribution, Senior Buddies Program in partnership with Fullerton Free, emergency feeding assistance, and regular wellness reassurance calls to our community members. Through our partnerships, we have been able to provide 10,442 seniors with food and other essential services.

Did you know? Many of the senior enrichment programs, exercise classes, and support groups that were offered in person at the Fullerton Community Center before the pandemic, are currently available online in virtual format. For a full listing of the links to various classes and support groups currently available, please check the resource page on the Fullerton Community Center's website at: <http://fullertoncommunitycenter.com/resourcesforolderadults/>.

Due to changes with our partner Second Harvest Food Bank, the senior grocery distribution time will be shifting to 3pm-4:30pm beginning Thursday, August 13th. Seniors in immediate need of food assistance are encouraged to call 714-738-6575 for referral services.

Art at Home: A Course in Creativity is the Fullerton Community Center's newest way to bring you educational art opportunities in the comfort of your own home. Courses are designed with older adults in mind, but are multi-generational and appropriate for all ages. Instructional guides and video tutorials are provided by the City's Education Coordinator. All courses are created with a custom theme and include all necessary materials/ supplies conveniently packaged. Art at Home is provided at no cost for older adults ages 60+. The Art at Home- Picasso Clay Owls course was distributed to 200 seniors and families on Tuesday, August 11th. Stay tuned for our next course, which will focus on Fullerton's own modern master: Florence Arnold. Florence "Flossie" Arnold (1900-1994) was a pioneer of the abstract "hard edge" painting style of the 1960s and 70s. Here in Fullerton she established "Night in Fullerton" and was also a founding member of the Muckenthaler Cultural Center.

Spaces are still available for the Feed Fullerton program. This City-run program connects low-income households with nutritious meals provided by 21 participating Fullerton restaurants. Patron eligibility is based on Fullerton residency and income levels. Participants are accepted for two month enrollment periods where they receive 12 meal vouchers to be redeemed for specialty Feed Fullerton menu items at participating restaurants. Additional information, applications, and participating restaurants can be found at www.fullertoncommunitycenter.com/feedfullerton/.

Seniors and their loved ones are encouraged to call 714-738-6575 to be advised about the current programs and services that are being offered. Referrals to County resources and other services can also be provided. Please see the Fullerton Community Center website (www.fullertoncommunitycenter.com) for a full list of programs and services, and a comprehensive list of referrals to outside agencies.

We are happy to be STILL CONNECTING & SERVING!

GROUNDBREAKING CEREMONIES

◇ **Korean War Memorial at Hillcrest Park Groundbreaking Ceremony**

Hillcrest Park, north of the Great Lawn (adjacent to the Hillcrest Duck Pond construction project)

Friday, August 14

10:00am

◇ **Pearl Park Groundbreaking Ceremony** (Pearl Lot—3001 Pearl Drive)

Tuesday August 18

2:00pm (*start time is tentative*)

FULLERTON MUSEUM

◇ **Kids Art TO GO**

Back by popular demand and thanks to the Fullerton Fire Association and Councilmember Zahra our Weekly FMC Kids Art TO GO will be resuming weekly starting Thursday, August 13 during the Downtown Fullerton Farmers Market. The Museum, even though still temporarily closed to the public, will be able to provide 100 weekly art kits. The art kits are recommended for ages 6-12 and these pick-ups are available on the Museum patio on Thursdays from 4:00 pm–6:00 pm. The first kit allows young artists to learn about color theory as they trace, cut and color vibrant circles based on the work of 20th century artist Wassily Kandinsky.

◇ **New Exhibit: The FMC and ME**

Over these nearly fifty years, the Fullerton Museum Center has inspired us, entertained us, challenged us, and been a catalyst for growth and debate. Now, almost 5 decades later, the Fullerton Museum Center is seeking the artistic talents of the community it serves. "The FMC and ME" exhibit, scheduled for opening on September 3rd, will be a celebration of art in Fullerton for and by museum patrons and friends. Art panels will be available to the community at no cost to use as the basis of their artwork recognizing their memories and feelings of what the FMC has meant to them. Once the artworks are returned to the Museum, they will be displayed in the main gallery in a groundbreaking exhibition that will pay homage to the history of the institution and its role in Fullerton. Art panels may be picked up and returned to the Fullerton Museum Center on Thursday evenings at the Downtown Fullerton Farmers Market from 4:00-6:00 p.m., starting July 30th until August 20th. Artworks may be submitted on different surfaces and in different mediums. All artworks will be for sale with the proceeds going to the Fullerton Museum Center Association to secure the next 50 years of arts and culture in Fullerton.

Parks & Recreation

Youth Services

Youth Services

The Parks and Recreation Department is also excited to announce the return of its After School Education and Safety (ASES) Program, which began on Tuesday, August 11. Offered through a partnership with the Fullerton School District, this year of ASES programming will begin virtually. Parks and Recreation Staff members will be offering students of Maple and Orangethorpe Elementary schools exciting opportunities to engage in virtual educational enhancement through Google Classroom, including homework assistance, socialization, STEM activities, interaction, distanced physical education, and so much more. For registration information, please contact the Parks and Recreation Department at 714-738-3161 for more information. Please note that participation in the City's ASES programs is limited to Maple and Orangethorpe Elementary School students in grades 1-6.

NEW ARRIVALS
EBOOKS & AUDIOBOOKS

Check out the first installment of "Headlines" on YouTube!

Check out the first installment of our new video series "Headlines," where we dig deep into the archives of the Local History Collection to bring you seminal events from the past, ripped from the headlines of our local Fullerton News Tribune.

An early morning fire destroyed a large portion of the 100 block of West Commonwealth on June 23, 1950. It was determined that the fire originated in the garage of the McCoy and Mills Ford dealership, but quickly spread east to the adjacent Fullerton Hotel, and north to the Pacific Citrus Products (later Hawaiian Punch) plant facing Amerige. Less than a year later, the Ford agency scooped up a four-acre parcel and broke ground on their new \$100,000 facility at 700 West Commonwealth. Northern Orange County's oldest Ford dealer is still in business, at this location, today.

Click here to [here](#) to check out the video, and look for more Headlines coming soon!

Library

Dig Deeper—Read, Investigate, Discover!

This year, children through 8th grade earned prizes by keeping track of the time they spent reading independently or sharing books with their favorite grownups. And why should kids have all the fun? Teens and adults also joined in to DIG DEEPER: READ, INVESTIGATE, DISCOVER! Together, they logged over 5,000 hours of Summer Reading!

The Summer Reading Program ended August 8th. Readers are no longer able to log reading minutes online. However, if you earned prizes in the program, but have not yet picked them up, there is STILL TIME! Curbside prize pick-up will be available through August 31st! Please call the library at 714.738.6338 to schedule a pick-up, Monday through Friday, 11:00 AM to 4:00 PM.

300,000 MINUTES OF READING LOGGED!
PRIZES WINNERS, THERE'S STILL TIME TO PICK UP YOUR PRIZES!

GOT BOOKS? OnLine Holds Are Now Available!

You can now place holds directly in our [catalog](#)!

Here's how it works: When you place items on hold, library employees will pull the available items from the shelves and process them for pickup. Once the hold becomes available, you will receive an automated notification by email or phone that the items are ready. You can also check your holds status online via your account at www.fullertonlibrary.org under the "Holds" tab in "My Account."

Once you have been notified that your items are ready, call the library Monday through Friday from 11:00 a.m.-4:00 p.m. at (714) 738-6333 to make an appointment to pick them up. You will have 14 days from the time of notice to pick up your materials. (If you can't call, send us an email at info@fullertonlibrary.org.)

Due to high demand, the library requires a minimum of two to three full business days to process requests. (During this time there may also be a slight delay in our ability to reach out to you by email or phone.) We ask you to be patient as we work hard to fulfill your requests while taking extra precautions, including quarantining returned books for 96 hours, to ensure your safety. Returns are not accepted during curbside pickup. To return your items, please use the outdoor book drop between Monday at 9:00 a.m. and Friday at 4:00 p.m.

Questions about our curbside service? Click [here](#). Thank you and happy reading!

The California State Library Wants To Hear Your Story!

Each of us has been impacted in different ways by the COVID-19 pandemic. The California State Library is working with local libraries to collect COVID-19 stories from across the state. We invite you to share your experience—in an essay, poem, letter, photograph, artwork or video—so that we can preserve these memories for future Californians. [#CASummerReading](#)

FPL's New Children's Programs Are Here!

No matter what the circumstances, FPL's Children's Library is here to help bring the joy of books to our favorite library patrons: the kids! Enjoy a variety of storytime programs brought directly to you by our dedicated Children's Services librarians as they read books, sing songs, lead fingerplays, and even break out the puppets!

Find out more about Read with the Dogs, Little Spoonfuls, Story Break, Puppet Posts and other virtual programs at <https://www.fullertonlibrary.org/kidszone/programs>.

Visit FPL On Social Media and Guess That Book or Quote!

Did you know that Fullerton Public Library offers fun daily activities, like Guess that Book (or Movie), Guess that Quote, and Riddle Me This? To participate, just visit FPL's social media pages. Will you be the first to solve our daily riddles and earn the admiration of your fellow library lovers? [#fullertonlibrary](https://www.fullertonlibrary.org)

FPL Is Here To Help!

- Questions about your library account? Circulation questions can be answered Monday through Friday between 11:00 AM and 4:00 PM by phone at (714) 738-6333 or email at circulation@fullertonlibrary.org.
- Upcoming posts about future programs can be found on the library's Facebook, Instagram, YouTube, and MeetUp accounts!
- Don't have a library card? Sign up for an E-Card and access all of our online resources including e-books, e-audiobooks, e-magazines, academic and research databases, and more. Make sure to remember your PIN and write down the temporary card number you receive. You'll need both of those to access our resources.

Library

Boardgame Empire Goes to Tobago!

FPL's Boardgame Empire Online program is open to everyone, with friendly and welcoming library staff members hosting game days every Friday afternoon from 1:00 p.m. to 3:00 p.m. To participate, you will need to create a free account at boardgameempire.com and join the "Boardgame Empire" group. We hope to see you around the table soon!

This month's game of choice is *Tobago*, an adventure game in which players race to uncover the location of buried treasure on a cursed island! Also there are ATVs and animated statues that dispense magical amulets. Designed by Bruce Allen, *Tobago* was published in 2009 by Zoch Verlag. At the end of the game, the player who best uses their deductive reasoning (and a bit of strategy) to recover the most sweet, sweet treasure wins!

Beware The Thing In The Library! (It's Only a Book Club)

Drop us a line at info@fullertonlibrary.org to join our new scary book club for adults and teens, The Thing in the Library. (Just mention "The Thing in the Library" and we'll add you to our list of invitees on Zoom.) Then, join us on the first Wednesday of every month at 4:30 p.m. to discuss a different horrifying tale! For September, we're continuing our

exploration of the graphic novel form with *Monstress, Volume Two: Blood* by Marjorie Liu and Sana Takeda and published by Image Comics, an epic fantasy series set in a matriarchal society based on early 20th century Asia. Even though it is fantasy (with great world-building), this series is brimming with outré horror and epic monsters, making it a perfect fit for our book club!

Stay Up To Date With The FPL Connect Newsletter!

Subscribe to FPL Connect, the Fullerton Public Library's weekly newsletter, featuring timely stories that encourage readers to explore library programs, services, and events. Stay up to date on FPL's virtual programs for children, like Read with the Dogs: Homestyle Edition, Little Spoonfuls, Story Break, and Puppet Posts. For older library patrons, explore exciting online programs like Boardgame Empire: Online Edition, The Thing in the Library (our new scary book club), and Anime Afternoons (just for teens). On social media, discover new titles to download or pick up curbside and follow the Local History Room for fascinating weekly posts. FPL Connect delivers it all to your inbox. [Sign up](http://fullertonlibrary.org/connect) today!

DID YOU KNOW...

Early Fullerton History

In the original townsite of Fullerton, Northam Avenue was renamed Chapman Avenue in 1904 after the newly incorporated city's first mayor. The honor was restored to early settler Robert "Diamond Bob"

Northam in 2000 with the naming of Northam Drive in the new Amerige Heights development, site of the former Hughes Aircraft facility.
